About:

The Comox Valley Lifeline Society is a non-profit, charitable organization that provides Lifeline services to a variety of individuals who may feel reassured that help is available to them twenty four hours a day, seven days a week. The Society was established in 1988 by the 'Lions of the North Island' because the membership believed that people deserved the dignity to live on their own and have access to immediate help in an emergency situation.

Competitors

1. Chinook Lifecare:

This organization is: Registered Charity / Foundation. To provide emergency response systems that call for help with the activation of a personal help button worn on the person's body.

#

2. Three Sisters Charitable Foundation:

The Three Sisters Charitable Foundation is a private family foundation focused on contributing to local charities. The foundation intends to focus its donations on those charitable organizations or community concerns where the greatest need has been identified or where the greatest change is possible as a result of funding from the foundation. The foundation will accept request for funding from registered charities.

2. Rural Ottawa South Support Services:

ROSSS is governed by a volunteer Board of Directors. This diverse group of community leaders represents the perspectives and expertise required to lead a community support services agency dedicated to supporting rural seniors and adults with disabilities.
